

ENROLL TODAY!

Advance your child's knowledge of technology!

Computersaurus Classes Enrollment Form

About Us

On-site academic computer classes that will introduce your child to computer system awareness, keyboarding, typing, word processing, formatting, graphic design, and so much more!

Staff & Curriculum

Our instructors work very hard to create an interactive student centered learning environment. We have small 30 minute group sessions, 1 day a week, 4 times per month. We complete projects and typing monthly and align our curriculum objectives with the International Standards of Technology Education (ISTE). Parents will receive progress report updates.

Tuition & Policies

Computersaurus Classes are \$46 a month. Tuition must be paid one month in advance to avoid delay in your child's sessions. Card Payments can be made through PayPal on our website or you can submit cash payments to your school administrator.

Location _____ Start Date _____

Teacher/Room Number _____

Grade _____ Age _____

Student Name _____

Parent Name _____

Address _____

Phone _____
